Alhambra, CA - Artist Anna Chambers is well known for her lovable kawaii plushies. Possessing a never-ending imagination to render most anything cute to the tenth degree, Chambers has single-handedly plush personified bugs, fruit, even poo! She has also designed several popular plush lines including Doolie Boxes, Suzy and Sam, Lucy Owl and most recently Fresh Fruits.

"CLUB HOUSE" finds the artist interpreting woodsy characters from leaves to insects, giant apes and apples, and more. Each handmade character sprouting with personality and one-of-a-kind uniqueness. On Saturday, August 8, join us in our new upstairs Atrium gallery to meet this endearing green-friendly gang of new friends.

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also had benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2000 square feet of open gallery space, 1000 square feet of shop/boutique, and over 3000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online in our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
