Gallery Nucleus Presents

SWEET STREETS II-Guest Curated by Caro
September 11, 2010 – October 04, 2010
Opening Reception: September 11, 2010 (7 pm - 11 pm)

Alhambra, CA – Gallery Nucleus and Caro are pleased to once again present the much anticipated art and fashion event Sweet Streets. Last year's hugely successful event attracted hundreds of art and fashion enthusiasts.

This year, over 70 artists spanning the globe were invited to create 2D and 3D works where Japanese street fashion serves as the inspiration. This resulted in over 100 original works of art that are vibrant, exciting, playful, and diverse - evoking the sentiments of the infamous Tokyo streets.

From delightful kawaii plush dolls to whimsical drawings and surreal paintings, there will surely be something to inspire everyone. Alongside artwork, attendees will be treated to an evening filled with fun activities and features. Included will be a fashion show by the sensational Japanese fashion brand 6%DOKIDOKI, music spun by Tune in Tokyo (featured in LA Weekly's 2010 People Issue), live model figure drawing, raffle drawings, free refreshments, popular food trucks, and more!

Additionally, fashionistas can 'get their shopping on' with featured pop-up shops by So So Happy, 6%DOKIDOKI, and Chubby Bunny Accessories, not to mention Nucleus' own stock of unique Japanese art books and products.

Opening Night Features:

- Raffle drawing with prizes provided by SoSo Happy, Sugarpill, Bubblepunch, & more.
- Dj sets by Tune in Tokyo and Sebastian Masuda.
- Pop-up shops by So So Happy, 6%DOKIDOKI & Chubby Bunny Accessories.
- 6%DOKIDOKI fashion show.
- Live drawing session with 6%DOKIDOKI models and featuring Japanese artist EIMI live drawing.
- Free refreshments and snacks.
- CoolHaus and Grilled Cheese Truck serving up the sweet and savory.

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art-loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also held benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2,000 square feet of open gallery space, 1,000 square feet of shop/boutique, and over 3,000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online on our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
