Gallery Nucleus Presents

### LARVAE

June 9, 2012 – July 1, 2012

Opening Reception: Saturday June 9, 2012 (7 pm – 10 pm)

There are moments in all of our lives that become pivotal. A period of time that alters our perspective and perhaps even our direction in life. From the death of a loved one to finding or losing faith. Meeting your greatest love or struggling with your deepest sorrows. These rites of passage define you going forward. The marks you leave behind impact how others see you and how you understand yourself.

Nucleus is proud to once again showcase a series of new works by the evolving talent Jeremy Enecio.

### HOLLOW THOUGHTS: A SKULL SHOW

June 9, 2012 – July 1, 2012

Opening Reception: Saturday June 9, 2012 (7 pm – 10 pm)

The skull is and has always been regarded as an unmistakable preview of the inevitable end. While it remains a universal representation of our anticipated fate, it is a symbol that especially removes us from reality - forcing us to contemplate the fine line between existence and mortality. Experience Hollow Thoughts at Gallery Nucleus, an intimate exhibition of select artists recreating the image of our fleeting existence through stark interpretations of the iconic skull.

*Since October of 2004*, Nucleus has strived to be a welcoming gathering place for the art-loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also held benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2,000 square feet of open gallery space, 1,000 square feet of shop/boutique, and over 3,000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online on our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
